2016 Jacob W. Miller Award

About the Jacob W. Miller Award

Daniel Garrett,
BSPHarm, MS, FASHP

The Jacob W. Miller Award is named for the APhA and APhA Foundation Former President Jake Miller in honor of his leadership and dedicated service to the APhA Foundation. This award recognizes an individual who, like President Miller, has advanced the mission of the APhA Foundation through any or all of the following: active involvement in the programs of the APhA Foundation; exemplary support in helping establish and/or maintain the APhA Foundation initiatives; and outstanding leadership in carrying out the mission of the APhA Foundation. The Jacob W. Miller Award was established through a founding grant from Wyeth, now Pfizer.

Daniel Garrett, BSPHarm, MS, FASHP

Daniel Garrett is Chief Trailblazer of the Blue Ridge Mountain Group LLC, a consulting group based on helping others find their own way by engaging the spirit and creativity of individuals, organizations and communities to develop shared leadership and management systems, to benefit their organizations and those they serve.

A Hospital Pharmacy Director for over 20 years, Dan facilitated the original Asheville Project and then worked nationally with the APhA Foundation to replicate it as the Patient Self-Management Program and Diabetes Ten City Challenge. He serves as Board Chair for Homeward Bound, Liberty Corner Enterprises and Health Partners to help end homelessness, support people with developmental disabilities and serve health care to the uninsured in his community. HELP HEALTH HAPPEN

LEGACY GIVING

For more than 60 years, the APhA Foundation has been providing quality programs in pharmacy practice research and recognition. The mission of improving people's health through pharmacists' patient care services is driving the research agenda in patient-focused pharmacy practice models allowing pharmacists to practice at the top of the licenses.

If you are thinking about the legacy you would like to leave to the profession of pharmacy, please consider a bequest to the APhA Foundation. We are here to help you prepare a tailored plan that carries out your personal wishes. Your gift will have an impact on the profession of pharmacy and the lives of patients in meaningful ways.

An estate gift is much more than a financial decision; it's a personal statement about who you are, what you care about, and what your legacy will be. Your estate gift to the APhA Foundation will help maintain our innovative research programs, sustain the student incentive grant program and allow for innovation in pharmacy-based patient health initiatives, all while establishing your own professional legacy. Learn more at **[APhAFoundation.org/giftplanning](https://www.aphafoundation.org/giftplanning)** or contact the APhA development staff at 202-558-2704.
