### **Pharmacist Lisa Stonesifer Honored for Outstanding Community Service**

**WASHINGTON, DC** – The Delaware Pharmacists Society (DPS) has selected Lisa M. Stonesifer, RPh, as the recipient of the 2018 Bowl of Hygeia Award for outstanding community service. Stonesifer was presented the award at the Delaware Pharmacists Society Convention Banquet on Tuesday, May 8. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations, and the American Pharmacists Association, with support from Boehringer Ingelheim.

Stonesifer has contributed to her community since graduating from the University of New Mexico in 1995. Stonesifer's primary pharmacy practice is mental health at Dover Behavioral Health. She is the past president of the Delaware Pharmacists Society, Delaware Pharmacists Education Center, treasurer. She has an outstanding record of Civic leadership in the community. Her civic and community service includes Holly's Club of Smyrna; Friends of Duck Creek Regional Library, president; and Ducks Unlimited.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take an active role in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent, and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.
