**Newark Pharmacist Donald Holst Honored for Outstanding Community Service**

**Washington, DC** – The Delaware Pharmacists Society has selected Mr. Donald Holst as the recipient of the 2014 Bowl of Hygeia Award for outstanding community service. Holst was presented with the award at the Awards Banquet on Wednesday, May 21. The award is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Holst has volunteered with the National Kidney Foundation and the Nanticoke Hospital Health Fair and is a member of Rotary International. He has volunteered with the Delaware HIV Consortium and worked with AI Dupont Radiothon, a partnership of Walgreens and many other vendors which raised over \$200,000 for the prevention and treatment of childhood diseases. Holst volunteers with the Claymont Community Center, the Delaware Food Bank, the Claymont Center Delaware Aids Walk, JDRF, and the Delaware Veteran's Health Fair, and finds time for the Delaware Medical Reserve Corp.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
