Wilmington, Delaware Pharmacist, David W. Dryden, Honored for Outstanding Community Service

Washington, DC – The Delaware Pharmacists Society (DPS) has selected David W. Dryden, RPh, JD, as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Dryden was presented with the award during the DPS Annual Convention, June 11-13, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Dryden has served the Delaware Pharmacists Society as Convention Chairman, on the Public Relations Committee, the Convention Committee, Board of Directors, Professional Relations Committee and By-Laws Committee. He served as Parliamentarian, Legislative Committee Chair, By-Laws Committee Chair and Lobby Committee Member of the Fraternal Order of Police, Lodge #3. Dryden is a member of St Magdalen's Church and has served with numerous food, clothing and Christmas drives. Dryden served with the Boy scouts of St. Mary Magdalen's Lodge.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
