**Flushing Pharmacist, Joseph M. Leonard, Honored for Outstanding Community Service**

**Washington, DC** – The Michigan Pharmacists Association (MPA) has selected Joseph M. Leonard as the recipient of the 2014 Bowl of Hygeia Award for outstanding community service. Watts was presented with the award during the MPA Annual Awards banquet, March 1, 2014. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Leonard received this award for the leadership, service and commitment to he has demonstrated to his community and the Michigan Pharmacists Association. He was instrumental in the establishment of the Genesee Health plan pharmacy benefit program to help provide patients with access to medications. Genesee Health Plan is a community-initiated, non-profit program designed to provide healthcare coverage to uninsured Genesee County residents. Leonard possesses the spirit of community that the Bowl of Hygeia Award is meant to recognize. He cares deeply about his patients, his community and his profession. He is well-known as a mentor and leader to others who share his vision.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
