**Gilford Pharmacist Lawrence M. Routhier Honored for Outstanding Community Service**

**Washington, DC** – The New Hampshire Pharmacists Association (NHPA) has selected Lawrence M. Routhier, RPh, as the recipient of the 2014 Bowl of Hygeia Award for outstanding community service. Routhier was presented with the award on December 17, 2014, at the Annual Holiday Reception. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Routhier is currently employed by LRGHealthcare. He volunteers his time with the Cheryl Walsh Scholarship Rotary Project, spending countless hours participating in fundraisers and choosing recipients for the Cheryl Walsh Scholarship Fund. Every year, Routhier sells Christmas trees in an outdoor lot as a fundraiser for this rotary project. He also goes to the New Hampshire Motor Speedway in Loudon, NH, and cooks and serves food at the rotary tent to fundraise for the organization's charitable cause. Routhier participates in sailing races at the Winnepesaukee Yacht Club that are set up to raise money for local charities. He is a graduate of Massachusetts College of Pharmacy and Health Sciences (MCPHS University) in Boston.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.
