Lake Oswego Pharmacist Larry D. Cartier Honored for Outstanding Community Service

Washington, DC – The Oregon State Pharmacy Association (OSPA) has selected Larry D. Cartier, RPh, as the recipient of the 2014 Bowl of Hygeia Award for outstanding community service. Cartier was presented with the award on November 8, 2014 at the OSPA Annual Convention and Trade Show. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Cartier has demonstrated exceptional community service to Lake Oswego over the past 30 years. Along with his wife, he started a small group of community members who do ongoing service projects. He also started local auctions supporting student pharmacists. He served as a board member for the Broadway Rose Theater Company and is also active in his church. Cartier has served in leadership roles that have positively impacted local youth. He was an adult leader of the Boy Scouts of America for 12 years and a youth sports coach.

Cartier has also been involved and held leadership positions in many pharmacy organizations. He was a President of the Oregon Board of Pharmacy at one time and vice president and treasurer for the Professional Society of Pharmacists.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
