

Student Scholarship Program - In cooperation with

APhA-ASP
AMERICAN PHARMACISTS ASSOCIATION
ACADEMY OF STUDENT PHARMACISTS

The APhA Foundation Student Scholarship Program recognizes students who choose to invest their time in their school's APhA-ASP chapter to help shape the future of the profession while managing the demands of a full-time pharmacy curriculum. Applicants will be evaluated on their potential to become leaders for the profession of pharmacy, as demonstrated by involvement in school and community activities and academic performance.

This year, fourteen scholarships are available to be awarded by the APhA Foundation. The George F. Archambault scholarship is in the amount of \$1,500. All other Foundation scholarships are in the amount of \$1,000 each. The goal of the APhA Foundation is to award at least one scholarship per APhA-ASP region.
