Delivering support directly to pharmacists and student pharmacists

47 GRANTEES

A record 47 pharmacists received Incentive Grant seed money to implement pharmacy-based research projects that address patients' health issues and advance pharmacy practice.

22 STUDENTS

Scholarships were provided to 22 student pharmacists to assist in completing their pharmacy degrees.

Celebrating pharmacy leaders and innovators

26 YEARS

The 26th annual Pinnacle Awards for significant contributions to the medication use process were presented to Stephen Eckel, Correct Rx Pharmacy Services, and St. Vincent de Paul Charitable Pharmacy.

Women in Pharmacy

Fall Event

In October 2023, The Women in Pharmacy Committee hosted a virtual panel: Advocating for Yourself in the Workplace. Panel topics included initiating self-advocacy, reengaging after family leave, and negotiating salary and benefits.
