### **Sparks Pharmacist Adam Porath Honored for Outstanding Community Service**

**WASHINGTON, DC** – The Nevada Society of Health System Pharmacists (NVSHP) has selected Adam Porath, PharmD, as the recipient of the 2016 Bowl of Hygeia Award for outstanding community service. Porath was presented the award at the 109th NVSHP Annual Convention on Saturday, October 8. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Porath, who received his pharmacy education from Idaho State University, has a long history of exemplary professional service to include research, pharmacy student and residency teaching, & anticoagulation therapy patient management and expertise. He has worked for years in the state of Nevada to forward Clinical Pharmacy Practice for pharmacists by working to change regulations and statutes at the legislature level.

Porath has been recognized for his passion to teach and shape the next generations of pharmacy practitioners by recently receiving Preceptor of the Year award from Idaho State University. He has been involved with the immunization initiatives in Nevada and also received the Northern Nevada Immunization Coalition Silver Syringe Award.

In addition, Porath is active in other important community service activities such as the 'Join Together Northern Nevada Prescription Drug' take-back events, ongoing poison prevention education to school aged children, professional education to various health professionals such as the Advanced Practice Nurses Association and the local group to help feed the homeless "We-Serve" within his community.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

### **About the American Pharmacists Association Foundation**

The APhA Foundation, a nonprofit organization based in Washington, D.C., is a trusted source of research demonstrating how pharmacists can improve health care. The APhA Foundation's mission is to improve people's health through pharmacists' patient care services. The APhA Foundation is affiliated with the American Pharmacists Association, the national professional society of pharmacists in the U.S. For more information, please visit the APhA Foundation website [www.aphafoundation.org](http://www.aphafoundation.org). Follow the APhA Foundation on [Twitter](#) and [Facebook](#) for the latest updates.

**About the National Alliance of State Pharmacy Associations**

The National Alliance of State Pharmacy Associations (NASPA) promotes leadership, sharing, learning, and policy exchange among pharmacy leaders in all 50 states and Washington, DC, and provides education and advocacy to support pharmacists, patients, and communities working together to improve public health. NASPA was founded in 1927 as the National Council of State Pharmacy Association Executives (NCSPA). For more information, please visit the NASPA Web site [www.naspa.us](http://www.naspa.us).
