Austin Pharmacist Nathan Pope Honored for Outstanding Community Service

WASHINGTON, DC – The Texas Pharmacy Association (TPA) has selected Nathan Pope, PharmD., as the recipient of the 2016 Bowl of Hygeia Award for outstanding community service. Pope was presented the award at the TPA Conference and Exposition on Sunday, July 17. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation, the National Alliance of State Pharmacy Associations and the American Pharmacists Association with support from Boehringer Ingelheim.

Pope serves the community in a variety of ways, including working with local law enforcement to schedule students to help with National Prescription Drug Take Back Day; serving as a liaison at a volunteer health clinic, where he was responsible for securing pharmacist staffing two nights per week for the clinic.

In addition, Pope has served as a board member for the AIDS Services of Austin and is active in their events, such as their fundraising walk, and he has served as a preceptor for some of the College of Pharmacy Project Collaborate health screenings events that reach out to the underserved areas in his community.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

About the American Pharmacists Association Foundation

The APhA Foundation, a nonprofit organization based in Washington, D.C., is a trusted source of research demonstrating how pharmacists can improve health care. The APhA Foundation's mission is to improve people's health through pharmacists' patient care services. The APhA Foundation is affiliated with the American Pharmacists Association, the national professional society of pharmacists in the U.S. For more information, please visit the APhA Foundation website www.aphafoundation.org. Follow the APhA Foundation on [Twitter](#) and [Facebook](#) for the latest updates.

About the National Alliance of State Pharmacy Associations

The National Alliance of State Pharmacy Associations (NASPA) promotes leadership, sharing, learning, and policy exchange among pharmacy leaders in all 50 states and Washington, DC, and provides education and advocacy to support

pharmacists, patients, and communities working together to improve public health. NASPA was founded in 1927 as the National Council of State Pharmacy Association Executives (NCSPA). For more information, please visit the NASPA Web site www.naspa.us.
