**Greenwood Village, Colorado Pharmacist, Ronald Kennedy, Honored for Outstanding Community Service**

**Washington, DC** – The Colorado Pharmacists Society (CPS) has selected Ronald Kennedy as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Kennedy was presented with the award during the CPS Annual Meeting & Exhibition, May 30 – June 1, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Kennedy is a member of ASCP, the ASCP Organizational Affairs Committee and has published two Long Term Care Interface articles. Kennedy has served as an Adjunct Professor of Consultant Pharmacy CU SOP, on the Parish Council for Our Father Lutheran Church and as an instructor for ALF Administrator training. He has served as a Health Fair volunteer and is a strong supporter of Make-A-Wish of Colorado. The recipient has served as Captain of the US Army Reserve, 147th MASH unit.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
