Columbus, Indiana Pharmacist, Patrick J. Cashen, Honored for Outstanding Community Service

Washington, DC – The Indiana Pharmacists Alliance (IPA) has selected Patrick J. Cashen as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Cashen was presented with the award during the IPA Annual Convention, September 19-20, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Cashen served the Community Pharmacies of Indiana and President and on the Board of Directors of the IPA. He is a member of the St. Bartholomew Catholic Church in Columbus, Indiana and has served on two mission trips with the Friends of Haiti. Cashen also serves on the Ecumenical Assembly with the food pantry and healthcare.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
