Moss Point, Mississippi Pharmacist, Clarence Dubose, Honored for Outstanding Community Service

Washington, DC – The Mississippi Pharmacists Association (MPhA) has selected Clarence Dubose as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Dubose was presented with the award during the MPhA Annual Convention, June 15-19, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Dubose is a lifetime member of the National Pharmaceutical Association and a 30-Year member of Mississippi Pharmacists Association. Dubose served as chairman of the Board of Pharmacy's Regulations Revision Committee, two terms as president of the Magnolia Pharmaceutical Society and two terms on the Mississippi Board of Pharmacy. Dubose served two terms as a Trustee of the Moss Point School District. He has also organized the Jackson County Sickle Cell Association, served on the Medicaid DUR Committee and in the University of Mississippi Galen Order.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
