**Washington, DC** – The Nevada Bowl of Hygeia Committee has selected Scott E. Mambourg as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Mambourg serves ASHP and ACCP. He is Co-Chair of the National Clinical Pharmacy Practice Council, a member of the VA Clinical Pharmacy Advisory Board (CPAB) and serves on several veterans' administration task groups. Mambourg also volunteers with the Veterans Integrated Service Network (VISN) 21 Annual Pharmacy Benefits Management (PBM) Conference. He is also a contributing author and volunteer with the VA Influenza Manual.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
