**Lambertville, Michigan Pharmacist, Kenneth S. Alexander Honored for Outstanding Community Service**

**Washington, DC** – The Ohio Pharmacists Association (OPA) has selected Dr. Kenneth S. Alexander as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Alexander was presented with the award during the OPA Annual Conference & Trade Show on April 12-14, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Alexander is a Masonic Lodge officer and an award recipient. He serves on the school boards of the local public, Catholic, and Hebrew schools. Alexander volunteers as a middle school softball coach; he is active on the Board of Directors of his synagogue; he volunteers as a science fair judge; he serves on the Lucan County Hypertension Coordinating Committee and is a volunteer at a local methadone clinic. Alexander has served the Ohio Pharmacists Association as a President from 1991-1992 and Vice President from 1989-90.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or [info@aphafoundation.org](mailto:info@aphafoundation.org).
