Morristown, Tennessee Pharmacist, Kenneth Baldwin Smith, Honored for Outstanding Community Service

Washington, DC – The Tennessee Pharmacists Association (TPA) has selected Kenneth Baldwin Smith as the recipient of the 2013 Bowl of Hygeia Award for outstanding community service. Smith was presented with the award during the TPA Annual Convention, July 15-18, 2013. The Bowl of Hygeia is sponsored by the American Pharmacists Association Foundation and the National Alliance of State Pharmacy Associations with support from Boehringer Ingelheim.

Smith has served on the Cardinal Health Advisory Board, APCI Advisory Board and was the preceptor for the First Community Pharmacy Practice residency with the University of Tennessee. He is a member of the First Baptist Church of Morristown, where he serves as Deacon, Trustee, teacher, usher and is on the Stewardship and Personnel Committees. Smith is a member of the Morristown Regional Planning Commission, Crossroads Downtown Partnership, Hancock County Health Department Board and the Welmont-Hancock Hospital Advisory Board. He also serves on the Morristown Chamber of Commerce and Hancock County Chamber of Commerce.

Established in 1958, the Bowl of Hygeia Award recognizes pharmacists who possess outstanding records of civic leadership in their communities and encourages pharmacists to take active roles in the affairs of their respective communities. The award is presented annually by participating state pharmacist associations, including those in the District of Columbia and Puerto Rico. In addition to service through their local, state and national pharmacy associations, award recipients have devoted their time, talent and resources to a wide variety of causes and community service.

The Bowl of Hygeia is the most widely recognized international symbol for the pharmacy profession and is considered one of the profession's most prestigious awards. The Bowl of Hygeia has been associated with the pharmacy profession since as early as 1796 when the symbol was used on a coin minted for the Parisian Society of Pharmacy. The bowl represents a medicinal potion and the snake represents healing. Healing through medicine is precisely why the pharmacy profession has adopted the Bowl of Hygeia symbol.

Information regarding contributing to the Bowl of Hygeia future is available by contacting the APhA Foundation at 202-429-7565 or info@aphafoundation.org.
